Tissart 60" Tapestry and Rug Loom

Made by LeClerc in Quebec

Further information available at:

<https://www.camillavalleyfarm.com/manuals/Tissart/AM-Tissart.pdf>

Shafts: 2

Weaving Width: 60"

Features: Billed as "A Tapestry Loom for Artists" this vertical loom has two counterbalanced shafts that slide horizontally along with 2 foot treadles and a beater that moves up and down.

Small 4 Shaft Counter Balance Floor Loom

30" weaving width

Quite old but very pretty with some lovely wrought iron parts.

Completely operational.

More info to come in August.

Rigid heddle looms will also be on the auction block.
